Supported by  SATIN
SMOOTH.

Satin Smooth is committed to raising money for **Breast Cancer Awareness**. With your help, we can make it happen.

If you are a Satin Smooth® Salon or Spa, join us in the fight against breast cancer.

On **October 10, 2009**, Satin Smooth needs you to donate your time, location and waxing services. All proceeds from that day will be donated to **City of Hope**.

Satin Smooth will support you with waxing products and marketing material to make this event a great success. Just fill out an application or call us at 800-366-5391, and find out how you can help.

Thank you for making a difference.

We Care.
