

Brows that Wow!

Beautiful brows in minutes
with Satin Smooth®

Creating the perfect brow is simple and easy when using the right tools and products. Satin Smooth® Ultra Sensitive Zinc Oxide Wax is perfectly formulated for brows and facial waxing, making it a #1 choice for professionals. Satin Smooth® EZ Grip Contour Strips are ergonomically designed to fit any brow shape and are available in two sizes. Use them with Satin Smooth® Contour Applicators to create a precise, curved arch every time. Give your clients the beautiful brows they desire with Satin Smooth®.
