

FOR IMMEDIATE RELEASE

Satin Smooth Introduces Res-Q Ingrown Hair Treatment Mousse and Advanced Ingrown Hair Treatment Pads

Stamford, CT – Satin Smooth, the leader in professional depilatory products, is committed to giving their salon and spa clients the best in personal care. Used by top aestheticians around the world, Satin Smooth delivers consistent results with their professional products, which are carefully formulated to customize their clients' skin care. The **Res-Q Ingrown Hair Treatment Mousse and Advanced Ingrown Hair Treatment Pads**, is an advanced formula which treats ingrown hair, razor burns, bumps and skin irritation resulting from waxing, shaving, electrolysis and laser hair removal. These products will come to the rescue and save the day (all year round) from irritation and embarrassing bumps due to hair removing treatments.

Satin Smooth Res-Q Ingrown Hair Treatment Mousse

- Generously apply Res-Q Ingrown Hair Mousse 24 hours after hair removal, then apply daily for continuing smooth results
- Use on all affected areas underarms, bikini, neck and face
- Gentle enough for all sensitive areas
- Res-Q Mousse is \$11.99 suggested retail price

Satin Smooth Res-Q Advanced Ingrown Hair Treatment Pads

- Use Res-Q Ingrown Hair Treatment Pads 24 hours after hair removal
- Apply pad to skin in a circular motion to lift trapped oil and skin within pores
- Use on all affected areas underarms, bikini, neck and face
- Gentle enough for all sensitive areas
- Texturized dual sided pads Creamy smooth formula
- Res-Q treatment pads are \$14.99 suggested retail price
